STATEMENT REGARDING TELEPHONIC INTERVIEW

In the Notice of Allowance dated March 25, 2004, Applicants were given one month from the mailing of the Notice of Allowance to file a statement of the substance of the telephonic interview which was conducted on March 17, 2004. However, Applicants note that according to 37 C.F.R. 1.2 "Where the substance of an interview is completely recorded in an Examiners Amendment, no separate Interview Summary Record is required." This is the case in the above-identified application. Accordingly, Applicants submit that such a statement is **NOT** required in the instant application. The substance of the interview was fully set forth in the papers attached to the Notice of Allowance and Applicants agree to accept the summary provided by the Examiner.

Respectfully submitted,
